

Merger negotiations:

The League of American Bicyclists commits itself for a period of six months to good faith negotiations toward a potential merger or joint venture with the Alliance for Biking and Walking, and Bikes Belong. During that time League of American Bicyclists will not enter into merger negotiations with any other party, nor will it make any material changes affecting the corporation, its leadership, or its financial commitments, without fully informing, in advance, the Alliance for Biking and Walking, and Bikes Belong. The League of American Bicyclists delegation to the merger negotiations committee shall consist of our President and the following board members: Hans van Naerssen, Gail Spann, Tim Young. At the end of the negotiations period, if not sooner, the committee will submit its report and recommendations to the full board. The six month time period may be extended by vote of the board, upon request by the negotiations committee.
