

CLUB SPECIAL EVENT SCHEDULE FOR 2006

A special event is defined as any bicycle ride that is open to the public, organized by a League club, and requires an entry fee. Events must be reported to American Specialty and an additional premium is required. NOTE: Coverage is not automatic.

Please list all special events that are scheduled for your club. If additional events are scheduled at a later date, please notify American Specialty prior to the date of the event. Without notification prior to the event, there will be no coverage. (Time trials are not covered as special events.)
