The **Bicycle Friendly Business (BFB)** program recognizes employers' efforts to encourage a more bicycle friendly atmosphere for employees and guests. The program honors innovative bike-friendly efforts and provides technical assistance and information to help companies and organizations become even better for bicyclists. A BFB is a corporation, organization, association, or nonprofit that actively promotes bicycling for transportation, recreation, exercise, and sport. A BFB practices social responsibility by weaving bicycling into the business culture and giving employees the opportunity to be active stewards of their personal and environmental health through bicycling.
