

Congressional & Senate Bike Caucuses

The Congressional Bike Caucus has 140 House members (as of Jan. 9, 2007) and the Senate Bike Caucus has 16 members. The Caucuses are bi-partisan—both were established and are led by Republican and Democratic Members of Congress. They provide a venue in which members can enjoy bicycling as a recreational activity (i.e. through the Congressional Bike Ride in March) and discuss issues affecting bicycling. These are the current Congressional and Senate Bike Caucus members:
