Get Back on Your Bike

Get Back on Your Bike (GBYB) - A free lunch-hour seminar

Attend a presentation designed for adults who would like to start riding a bike again. If you learned to ride as a child, but haven't been back on a bicycle recently, then this seminar is just for you!

Get ready for **Bike to Work Day** Thursday, May 14th, 2009, and Get Back on Your Bike!

GBYB covers practical tips for **Commuting, Shopping, Exercising and Having Fun!**

Discussion will also include
What to look for when buying a bicycle, how to ride in traffic, how to take your bike on public transit, and more.

Did You Know?

- Bicycling at an easy pace for just 30 minutes burns 300 calories.
- 40% of all errand trips are within 2 miles of home - a perfect distance for bicycling.
- 40% of carbon emissions come from motor vehicle transportation uses.
- San José has 200 miles of bike lanes and trails?

And for employees only:

- City Hall has secure bike parking & shower rooms.
- CSJ recently launched a Bicycle Fleet? DOT employees are currently testing the pilot program for expansion.

Three GBYB Sessions Offered
(Advance registration required!)

- **Wed, May 6, 2009** Room W-120 Noon-1:00 pm
- **Thurs, May 7, 2009** Room W-119 Noon-1:00 pm
- **Friday, May 8, 2009** Room W-120 Noon-1:00 pm

To register, email john.brazil@sanjoseca.gov and indicate the date you'd like to attend.

Tell your friends! This class is open to the public.
