

BUILDING A BICYCLE FRIENDLY AMERICA

2,293
unique applications for
BFC, BFB & BFU awards

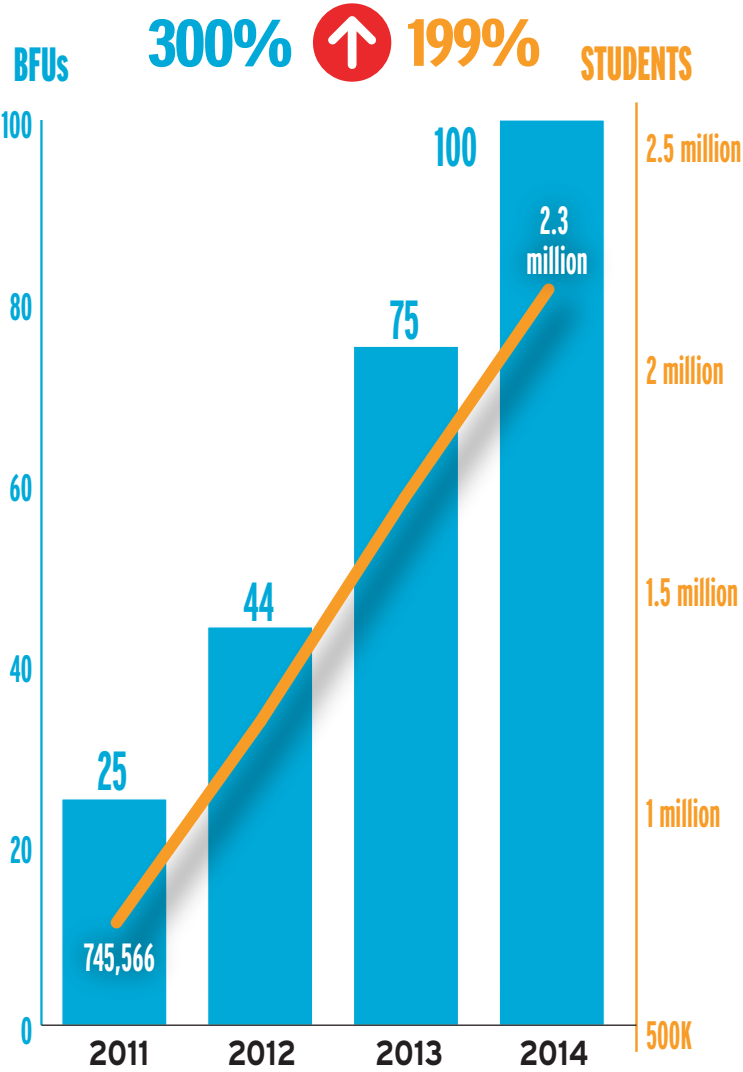

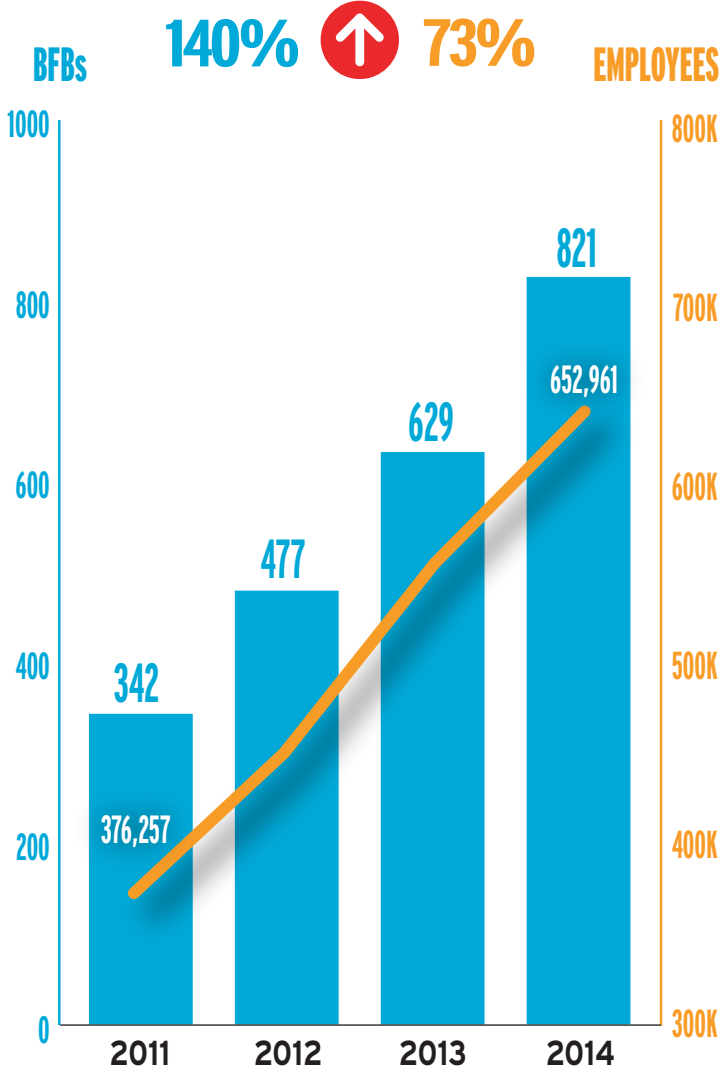

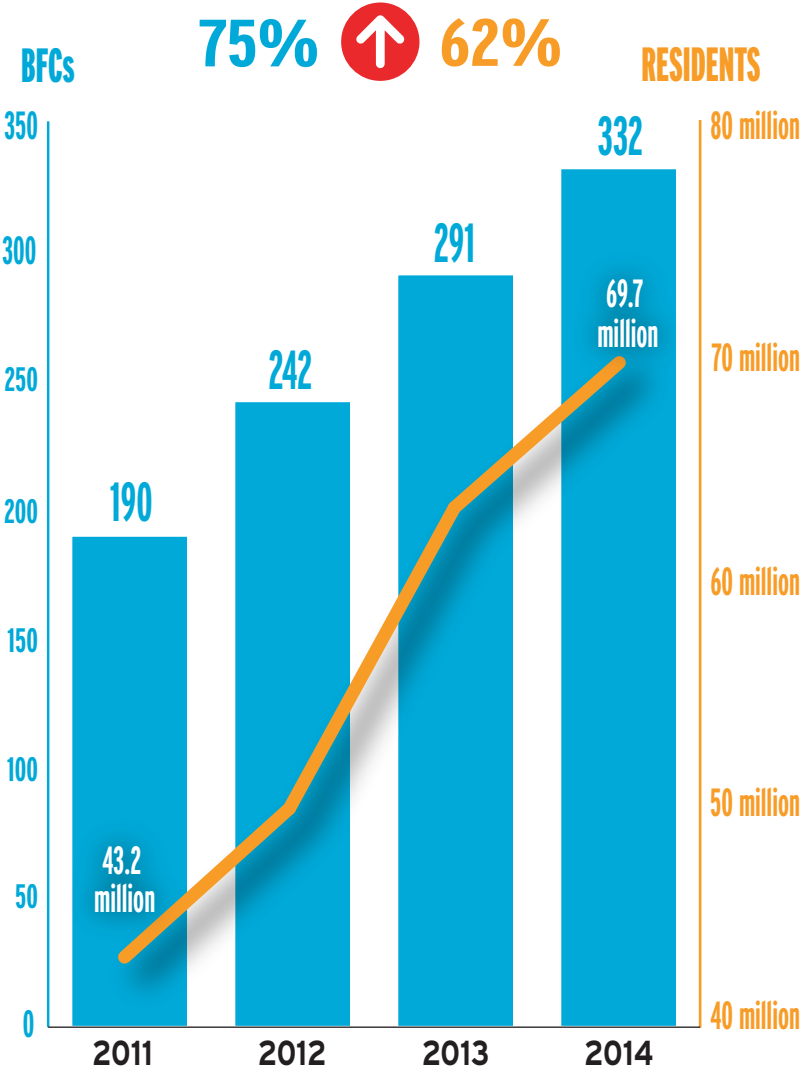

1,256
award designations in
all 50 U.S. states

72,678,508
living, working or studying in
a bicycle-friendly place

The Bicycle Friendly America program has unlocked the DNA of bicycle-friendly places and helped hundreds of communities, businesses and universities of all sizes, in every state, to make biking more comfortable and convenient. Breaking records in nearly every application round, the BFA program now touches tens of millions of U.S. residents from coast to coast. Learn more about the BFA program at:
