10 BUILDING BLOCKS OF A BICYCLE FRIENDLY COMMUNITY

Does your community have...

- A comprehensive, connected & well-maintained bicycling network
- A bicycle advisory committee that meets regularly
- An active bicycle advocacy group in the community
- A current comprehensive bicycle plan
- Law enforcement or other public safety officers on bikes
- Local ordinances that promote safety and accessibility for bicyclists
- A bicycle program manager
- Major community cycling events or rides

FEEDBACK

Provide safe crossings where trails intersect multi-lane roads
Allocate greater resources (including increased FTEs) to implement comprehensive educational and encouragement programming through the existing bicycle program
Increase connectivity for bicyclists especially for key destinations; add protected bike lanes downtown Phoenix in concert with bike sharing.
