Appoint an official Bicycle Advisory Committee to create a systematic method for ongoing citizen input into the development of important policies, plans, and projects.

Adopt the Complete Streets policy that is currently being prepared and offer implementation guidance.

Continue to increase the amount of high quality bicycle parking throughout the community to keep up with demand. Ensure that new and existing bike racks conform to APBP guidelines.

Offer bicycling skills training opportunities for adults or encourage Oberlin College or bike shop to help. There are options from short videos and 1-2 hour courses to more in-depth training incorporating in-classroom and on-bike instruction.

» Expand encouragement efforts during Bike Month. Host, sponsor and encourage a greater variety of bicycle-themed community events, campaigns and programs. Increase your efforts on Bike to Work Day and Bike to School Day.

» Promote cycling throughout the year by offering or supporting more family-oriented community and charity rides, free bike valet parking at events, and bicycle-themed festivals, parades or shows.

» Develop a bike plan. Focus on developing a seamless on and off street bicycling network that creates short distances between residential areas and popular destinations. Complement infrastructure planning with encouragement, education, and enforcement programs to increase usage.
