The Bicycle Friendly States ranking is based on a comprehensive survey completed by state departments of transportation and state bicycling advocates. It asks comprehensive questions across 5 categories: Legislation and Enforcement, Policies and Programs, Infrastructure and Funding, Education and Encouragement, Evaluation and Planning. The results listed above provide only a snapshot of the full application. They are intended to offer some ideas for further growth in bicycle friendliness. For more information, visit www.bikeleague.org/states or contact Nicole Wynands at (202)-822-1333 or nicole@bikeleague.org.

**TOP TIP**

Utilize all MAP-21 funding programs - including TAP, HSIP, CMAQ, STP, and Section 402 - to include biking and walking in all transportation projects.

**FEEDBACK**

- Adopt a safe passing law with a minimum distance of 3 feet to address bicyclist safety.
- Adopt a vulnerable road user law that increases penalties for a motorist that injures or kills a bicyclist or pedestrian.
- Adopt a law allowing transportation agencies to post 20 mph or lower speed limits under certain circumstances.
- Adopt a statewide, all-ages cell phone ban to combat distracted driving and increase safety for everyone.
- Adopt a policy requiring state office buildings, state park and recreation facilities, and other state facilities to provide bicycle parking.
- Since arterial and collector roads are the backbone of every transportation network, it is essential to provide adequate bicycle facilities along these roads. Increase the percentage of state highway network that has paved shoulders or bike lanes greater or equal to 4 feet wide.
- The state is spending a low amount of federal funding on bicyclists and pedestrians. Adopt federal funding project rating criteria that incentivize bicycle projects and accommodations.
- Create a state bicycle riders manual to ensure cyclists have a pocket guide for rules of the road, relevant laws, state bike routes, and other necessary information.
- Hold a bicycle ride sponsored by the Governor and/or legislators to show their constituents that their elected officials support bicycling.
