FEEDBACK

- Adopt a statewide Complete Streets policy. The National Complete Streets Coalition has a model state policy and a variety of other resources to ensure adoption and implementation.
- Adopt performance measures, such as mode shift or a low percentage of exempted projects, to better track and support Bike Accommodation Policy compliance.
- Adopt a state bicycle design manual that includes design drawings and guidance on when to use established and innovative design treatments.
- Adopt a statewide policy that requires bicycle accommodations on all bridge and tunnel projects.
- Ensure that no funds from the Transportation Alternatives program are transferred for purposes other than bicycling and walking projects.
- Adopt federal funding project rating criteria that incentivize bicycle projects and accommodations.
- Dedicate state funding for bicycle projects and programs, especially those focused on safety and eliminating gaps and increasing access for bicycle networks.
- Adopt a statewide bicycle plan that addresses each of the five "Es", has clear implementation actions, and performance measures to gauge success.
- Adopt performance measures to decrease bicycle fatalities.
- Adopt a mode share goal for biking to encourage the integration of bicycle transportation needs into all transportation and land use policy and project decisions.

The Bicycle Friendly States ranking is based on a comprehensive survey completed by state departments of transportation and state bicycling advocates. It asks comprehensive questions across 5 categories: Legislation and Enforcement, Policies and Programs, Infrastructure and Funding, Education and Encouragement, Evaluation and Planning. The results listed above provide only a snap shot of the full application. They are intended to offer some ideas for further growth in bicycle friendliness.
